Managing Cookies

This document explains what cookies are and how they are used on this site.

What are cookies?

A cookie is a text file that the site sends to the computer or other device connected to the internet in order to identify beyond any doubt the user's browser or to save information or configurations in the browser.

Are cookies used on this site?

Yes. This site uses cookies to improve the site and supply services and other functions to its users. Cookies can be limited or deactivated through the web browser. However, without cookies some or all of the functions of the site could prove impossible to utilise.

What sort of cookies are present on this site?

Cookies that are strictly necessary

Such cookies are essential to fulfil the activities required by the user. For instance, to memorise information supplied by the user whilst browsing on the site or in order to manage the "login" state during the visit.

Functional cookies

These allow the site to memorise the choices effected by the user, re-usable subsequently.

For instance, they allow the site to memorise the setting search, authentication and other personalised functions.

Third party cookies

These allow the gathering of data regarding the use of the site, such as the contents visited and the functions used, with the aim of improving the performance and layout of the site. These cookies may be sent by the supplier of the tool, but are used only for purposes linked to the site.

Third-party and profiling cookies on this site

Google Analytics - Cookie analitici

Questo sito web utilizza il servizio Google Analytics per poter rilevare e analizzare i dati di traffico. I cookie di Google Analytics potrebbero consentire la profilazione da parte di terzi, si rappresenta che tale profilazione non rientra nella nostra titolarità. Su questo sito web i cookie di Google Analytics sono installati senza il consenso preventivo dell'utente, in quanto il codice Google Analytics è stato inserito con IP anonimizzato. Questo permette alla terza parte di accedere ai dati in sola forma aggregata.
